

**FALL FELLOWSHIP RETREAT**  
**Southern California Quarterly Meeting**  
**November 5-6, 2011**

JOIN US FOR OUR ANNUAL GATHERING AT TEMESCAL CANYON IN PACIFIC PALISADES.

**SATURDAY 8:30 A.M. TO SUNDAY 4:00 P.M.**

***“Bearing witness – Reflecting Our Light in Outreach and Action”***

Our theme for Southern California Quarterly Meeting's Fall Fellowship is "Bearing witness – Reflecting Our Light in Outreach and Action". We explored many levels of meaning for this idea while developing it, but I heard a new aspect during Meeting for Worship at my home Meeting. The queries for September center around the testimony of Integrity. As one Friend rose to minister she said that she found this testimony difficult, as to her it meant that we cannot remain silent - that we indeed must bear witness.

At Fall Fellowship we will explore the ways in which we bear witness, publicly, privately, in our work lives and in our home lives. And what it means to integrate our witness across our lives. Further, we shall explore not just individual witness, but bearing witness as groups. Finally we will explore what support we can give those among us who are called to a particular witness, and how we engage in that. We will explore our witness with speakers, with worship sharing groups, and with worship. We hope to see all of you there.

**PROGRAM FOR CHILDREN**

Children, please join us for Fall Fellowship! This year we will be looking at friendship. What makes a friend? Who is your friend? Are you a friend? How can you tell? We'll be playing, drawing, singing, listening to stories, making things, building, hiking, etc. Please join us for a few hours of fun.

See you soon!

**SATURDAY EVENING**

COMMUNITY NIGHT AND COMMUNAL SINGING.

**QUAKER ADVENTURES TEEN PROGRAM**

Our committee of youth and adults is planning the tentative program. We will have activities related to the theme, play games, go to the beach, watch videos/movies, walk in beautiful country, have worship sharing, and participate in the adult program as we wish. Please contact Lee Sisson if you have an idea or would like to participate more fully in the planning.

**THERE WILL BE NO ONSITE REGISTRATION - DEADLINE IS OCTOBER 26**
